Dear Mr. Wruck:

Re: FortisBC Alternative Energy Services Inc. (FAES)

Project No. 1598949

**FAES 2018/2019 Revenue Requirements and Cost of Service Rates Application
for the Thermal Energy Service to Delta School District No. 37 (DSD) (the
Application)**

FAES Comment on DSD Request for Timetable Extension

On April 12, 2018, the British Columbia Utilities Commission (the Commission) issued Order G-77-18 establishing a Regulatory Timetable for the review of the above referenced Application.

On April 25, 2018, counsel for DSD copied FAES on a letter to the Commission advising that DSD had not received notice of Order G-77-18 and Regulatory Timetable and as such, has less time than FAES to prepare for the steps in the Application proceedings. DSD requests that the Commission extend all of the deadlines set out in the regulatory timetable for the proceeding by 12 days.

FAES submits that, based on the circumstances described in the letter, the DSD's request is a fair one. We have no objection to the change. Some of the adjusted dates would fall on a weekend or holiday, such that it would be appropriate to move those dates to the following business day. For clarity, FAES provides the following table with the proposed dates to address the DSD request.

Action	Current Deadline	Proposed Deadline
Intervener Registration	Wednesday, April 25	Monday, May 7
BCUC and Intervener Information Request (IR) No. 1 to FAES	Wednesday, May 9	Tuesday, May 22
