Attention: Mr. Patrick Wruck, Commission Secretary

Dear Sir:

Re: FortisBC Alternative Energy Services Inc. ("FAES") 2018/2019 Revenue Requirements and Cost of Service Rates Application for the Thermal Energy Service to Delta School District No. 37 – Project No. 1598949

We are counsel for the Commercial Energy Consumers Association of British Columbia (the "CEC"). The CEC filed a request to intervene on April 25, 2018. On further consideration the CEC wishes to change its status from intervener to interested party. The CEC remains concerned with the potential precedent setting nature of this proceeding and while the issues raised in the CEC Intervention remain valid, the CEC is mindful of imposing regulatory costs on the process. The CEC will review the responses to information requests and the record and reserves the right to file a letter of comment as an interested party.

All of which is requested is respectfully submitted.
