**Attention: Patrick Wruck, Commission Secretary and Manager, Regulatory Support**

Dear Sirs/Mesdames:

**Re: Class Exemption for BC Hydro Customers that Resell Electricity Under Certain  
Lease Arrangements ~ Project No. 1598898**

We are counsel for the Commercial Energy Consumers Association of British Columbia (the "CEC"). We are responding to the Commission's letter of May 15, 2018 (Exhibit A-5) to all registered Interveners and advise that the CEC has reviewed the draft Order with respect to the above Application and supports the contents of same.

For clarity we would suggest the word "and" be added to Directive 1 so it reads "..., exempts, and in any case meeting the criteria of the class of cases described in Directive 2."

Yours truly,

**OWEN BIRD LAW CORPORATION**
