Dear Mr. Wruck:

Re: British Columbia Utilities Commission (the Commission) – An Inquiry into the Regulation of Electric Vehicle Charging Service (the Inquiry) – Project Number 1598941

We are counsel to Toronto Hydro-Electric System Limited (**Toronto Hydro**). Toronto Hydro respectfully requests that the Commission change its status in the Inquiry from intervener to interested party. Toronto Hydro looks forward to continued participation in the Inquiry as an interested party.

Yours very truly,
