Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

**Re: Pacific Northern Gas Ltd.  
Application for Approval of Letter Agreement between  
Pacific Northern Gas Ltd. and Triton LNG Limited Partnership  
Request for Extension on Response to Letter of Comment**

---

Commission Order G-93-18, dated May 15, 2018, established a regulatory timetable for the referenced proceeding. This timetable included a deadline for Letters of Comment from third parties of June 8<sup>th</sup>, and a date of June 15<sup>th</sup> for Pacific Northern Gas Ltd. (PNG) to respond to Letters of Comment.

While PNG has been working towards filing its response in compliance with the established timetable, a combination of prior and conflicting commitments for both PNG and its external legal counsel has limited the availability of resources to finalize PNG's response.

In this regard, please accept this letter as PNG's request for an extension of the Friday, June 15, 2018 filing date to Thursday, June 21, 2018.

Please direct any questions regarding this letter to my attention.

Yours truly,

A handwritten signature in black ink that reads 'Janet Kennedy'.
