**FEI EXCLUDE EMPLOYEE INFORMATION
FROM 2015 DATA ORDER G-161-15 EXHIBIT A-3**

TO: FortisBC Energy Inc.
Registered Parties

**Re: FortisBC Energy Inc. Application to Exclude Employee Information from 2015 Data Order G-161-15 -
Project No. 1598960 – Request for Comments**

On May 23, 2018, the British Columbia Utilities Commission (BCUC) received an application from FortisBC Energy Inc. (FEI) requesting that Order G-161-15 be varied to exclude Employee Information (as defined in the 2015 Data Order), from the data restrictions in the 2015 Data Order on jurisdictional grounds.

On July 12, 2018, the BCUC issued Order G-125-18, establishing a regulatory timetable to include submissions on BCUC jurisdiction by FEI and registered interveners.

In their submission on August 10, 2018, MoveUP made a request to suspend the regulatory timetable to afford FEI an opportunity to consult with MoveUP and explore the possibility of finding an adequate resolution to the underlying issue of employee information protection.¹

Comments requested

The BCUC invites all registered parties to comment on the request by MoveUP for a suspension of the regulatory timetable. Please provide your comments to the BCUC by no later than **Monday, September 3, 2018**.

Sincerely,

Original signed by

Patrick Wruck
Commission Secretary
