Dear Mr. Wruck:

**Re: Pacific Northern Gas Ltd.  
Application for Approval of Letter Agreement between  
Pacific Northern Gas Ltd. and Triton LNG Limited Partnership  
Request for Amendment to Regulatory Timetable**

This submission by Pacific Northern Gas Ltd. (PNG) is made in response to Lawson Lundell's letter of August 28, 2018 on behalf of Western LNG to address PNG's request of August 27<sup>th</sup> for an amendment to the Regulatory Timetable previously approved under Commission Order G-134-18.

PNG apologizes for the lack of consultation with other parties to this proceeding prior to making the noted request for a timetable change. Further to discussions with representatives of Western LNG and BCOAPO et al., PNG proposes the following amended timetable accepted by all parties:

PNG Written Final Argument	September 13, 2018
Intervener Written Final Argument	September 27, 2018
PNG Written Reply Argument	October 4, 2018

Please direct any questions regarding this matter to my attention.

Yours truly,

J.P. Kennedy
