Dear Mr. Wruck:

**Re: Pacific Northern Gas Ltd. ~ Pacific Northern Gas Ltd. and Triton LNG Limited
Partnership Letter Agreement Application ~ Project No.1598957**

Please be advised that we make the following submission on process in regards to the above-noted proceeding on behalf of our client groups, BCOAPO et al.

We have reviewed PNG's revised request for an amendment to the regulatory schedule and we submit that it strikes an appropriate balance between the utility's needs and the concerns voiced by counsel for Western LNG. As such, we strongly support this modification to the regulatory schedule.

Do not hesitate to contact me should you have any questions.

Yours truly,
BC Public Interest Advocacy Centre
