Re: Pacific Northern Gas Ltd. – Pacific Northern Gas Ltd. and Triton LNG Limited Partnership Letter Agreement Application – 1598957 – Request for Comments

On September 7, 2018, Pacific Northern Gas Ltd. (PNG) filed a letter with the British Columbia Utilities Commission (BCUC) requesting to suspend the regulatory timetable established by Order G-163-18. PNG requests the suspension in order to establish a platform for multilateral discussions with interested parties regarding contracting for capacity on PNG's transmission system.

The BCUC invites interveners to provide comments on PNG's request to suspend the regulatory timetable. Please provide your comments to the BCUC by no later than **September 13, 2018**, followed by reply submissions from PNG by **September 17, 2018**.

The BCUC notes that the regulatory timetable established by Order G-163-18 provided a deadline of September 7, 2018 for PNG's responses to BCUC Panel IR No. 1. The BCUC temporarily suspends the regulatory timetable, including PNG's responses to Panel IR No. 1, pending parties' submissions on PNG's request.

Sincerely,

Original Signed by:
