Dear Mesdames/Sirs:

re: FortisBC Energy Inc - Application to Exclude Employee Information from 2015 Data Order G-161-15 - Project No. 1598960 - Regulatory Timetable

We continue to represent MoveUP in this matter, and are in receipt of Mr. Ghikas' letter dated today.

I write to assure the Commission that we will be succinct in our reply submissions filed pursuant to Exhibit A-5 which was issued today. We appreciate that substantial materials have already been filed but we recognize that the issues involved in this question of jurisdiction are complex. Our submissions will be aimed at assisting the Commission by providing clarity and not at exacerbating that complexity.

On the issue of scheduling I can also advise that we will file our submission well in advance of the October 21 deadline set out in Exhibit A-5 in view of FEI's intention to waive its right to file a preceding argument.

Yours very truly,

ALLEVATO QUAIL & ROY
