**FEI EXCLUDE EMPLOYEE INFORMATION
FROM 2015 DATA ORDER G-161-15 EXHIBIT A-8**

TO: Registered Parties

Re: FortisBC Energy Inc. Application to Exclude Employee Information from 2015 Data Order G-161-15 - Project No. 1598960 – Request for Submissions

On September 26, 2018, the British Columbia Utilities Commission (BCUC) received a letter from FortisBC Energy Inc. (FEI) applying for temporary relief requesting that, pending the BCUC's final order in this proceeding, FEI be temporarily exempted from Order G-161-15 as it relates to "Employee Information" sent to FEI's pension actuaries, Willis Towers Watson, for the purpose of performing analysis for the preparation of FEI's 2018 year-end audited external financial statements.

The Panel seeks submissions from participants on the following:

1. Please comment on FEI's request for temporary relief and whether it should be approved.
2. If approved, please comment on how long FEI's request for temporary relief should be applied.

Participants are requested to file their submissions by noon on Tuesday, October 16, 2018. If appropriate, FEI is requested to file its reply submission by noon on Tuesday, October 23, 2018.

Sincerely,
