Additional information

Please state your reasons for intervening in this proceeding.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

The interests and rates of the CEC's members will be affected by this application and therefore, it is important that the CEC is represented in this proceeding in order to ensure that the members' interests are articulated and represented. The CEC's participation will also assist in ensuring that a balanced approach is considered by the Commission in reviewing FBC Application and that commercial class customer ratepayers' interests are considered. The CEC has been actively represented on a consistent basis before the Commission since 2003.

Please list the key issues you intend to address in the proceeding.

1. Appropriateness of FBC's assessment of the DSM environment and relevant laws, regulation and principles.
2. Appropriateness of FBC's proposed DSM plan and proposed expenditures including the relationships to Guiding Principles, adequacy of consultation, forecast expenditures and deliverable by program area, and the Conservation Potential Review.
3. Appropriateness of FBC's cost-effectiveness assessment approach and test results.
4. Appropriateness of FBC evaluation, verification and measurement proposals.
5. Appropriateness of FBC's additional requested approvals.
6. Any additional areas of interest to ratepayers that may become evident.
