BCUC REGULATION OF ELECTRIC VEHICLE CHARGING SERVICE INQUIRY EXHIBIT A-38
--

To: Stakeholders

Re: British Columbia Utilities Commission – An Inquiry into the Regulation of Electric Vehicle Charging Service – Project No. 1598941 – Amended Regulatory Timetable

British Columbia Utilities Commission (Commission) Order G-231-18 dated December 6, 2018, established a regulatory timetable for an inquiry into the regulation of electric vehicle charging service (Inquiry) – Phase 2. The Panel considers that an extension for the registration of new interveners is appropriate due to the statutory holidays. Intervener evidence on Phase 2 scoped items remains unchanged.

The amended Regulatory Timetable is as follows:

Action	Date (2019)
Registration of new interveners	Tuesday, January 15
Intervener evidence on Phase 2 scoped items	Monday, January 28
Further process	To be determined

Sincerely,

Original signed by:
