**Comment:**

I'm am writing on my behalf in order to protest the ICBC insurance rate hike. This corporation has lost my confidence and should not be allowed to run as it is right now. Before you give them more of the BC residents money to waste maybe the corporation should be dismantled and private insurance should be allowed in B.C. if that is not your mandate please stop the rate hike. ICBC and the government are asking to much from the citizens of B.C..
