Comment:

I'm a parent in Victoria who needs to drive to work, drive to take my kid to childcare and drive to get groceries. My family pays [REDACTED]/month for rent and [REDACTED]/month for childcare and this rate hike for insurance on our vehicles is going to really hit us hard. The rates are already too high. We are responsible drivers just trying to get by. I hope this rate hike is temporary. To insure 2 vehicles this year we will have to make cuts to our thin budget somewhere else.
