**Comment:**

I strongly feel that our insurance rates are extremely high as is compared to other provinces. Why do we need a 6% rate hike when the ceo are still getting bonuses? ICBC claims they are losing money yet still hand out bonuses! Not very smart business practices if you ask me. I do not support another rate hike on insurance rates. I am on the other hand wanting to see private insurance be able to be purchased fully instead of just a secondary. The mandatory ICBC insurance gives ICBC the monopoly over the people in B.C..
