Additional information

Please state your reasons for intervening in this proceeding:

he CEC is composed of members which are commercial class customers of FEI, a significant portion of FEI's rate base.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

The interests and rates of the CEC's members will be affected by this application and therefore, it is important that the CEC is represented in this proceeding in order to ensure that the members' interests are articulated and represented. The CEC's participation will also assist in ensuring that a balanced approach is considered by the Commission in reviewing FEI's Application and that commercial class customer ratepayers' interests are considered. The CEC has been actively represented on a consistent basis before the Commission since 2003.

Please list the key issues you intend to address in the proceeding:

1. Appropriateness of FEI's assessment of Project Need and Justification 2. Appropriateness of Alternatives Evaluation 3. Appropriateness of Project particulars to cost effectively meet project justification and timing requirements 4. Appropriateness of Project costing, accounting treatment and rate impact analysis and proposal 5. Appropriateness of Environmental and Archaeology review 6. Appropriateness of Stakeholder consultation 7. Appropriateness of FEI interpretation of BCUC jurisdiction and decision-making criteria including Provincial government energy objectives and long term resource plan. 8. Compliance with CPCN requirements 9. Any other issues that may arise that are of relevance to commercial energy consumers.
