Additional information

Please state your reasons for intervening in this proceeding:

To ensure Catalyst Paper's interests are considered in the proceeding.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

Catalyst Paper is BC Hydro's single largest customer and electricity represents one of its largest cost inputs, materially impacting our competitive position. We have participated in several regulatory proceedings and we believe we can provide an industrial context. Please note that we will primarily be working through AMPC as members however we reserve the right to submit our own individual vies.

Please list the key issues you intend to address in the proceeding:

1. competitive pricing 2. rate stability & predictability 3. access to rate programs to the benefit of all ratepayer groups 4. load elasticity and the potential risks and opportunities

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes
