2. Whether there is a need for an oral component of the review process on any topics and why.
3. Whether any interveners intend to file intervener evidence and the nature of that evidence.
4. Any significant time constraints and/or periods of unavailability which should be taken into consideration when establishing the regulatory timetable.
5. Any other relevant procedural matters that parties wish to bring to the attention of the Panel that will assist in the efficient and effective review of the Application.

Interveners are reminded to email the Commission Secretary at Commission.Secretary@bcuc.com to confirm their attendance at the procedural conference by **Friday, March 22, 2019**. Interveners who are unable to attend the procedural conference in-person may participate either by (i) teleconferencing or (ii) providing written submissions, in accordance with the instructions provided in Order G-57-19.
