Also representing (if applicable):

Additional information

Please state your reasons for intervening in this proceeding:

The CEC is composed of members which are commercial class customers of BC Hydro, a significant portion of BC Hydro's rate base.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

The interests and rates of the CEC's members will be affected by this application and therefore, it is important that the CEC is represented in this proceeding in order to ensure that the members' interests are articulated and represented. The CEC's participation will also assist in ensuring that a balanced approach is considered by the Commission in reviewing BC Hydro's Application and that commercial class customer ratepayers' interests are considered. The CEC has been actively represented on a consistent basis before the Commission since 2003.

Please list the key issues you intend to address in the proceeding:

1. Appropriateness of BC Hydro's assessment of legal and regulatory framework 2. Appropriateness of BC Hydro's load and revenue forecast and methodologies for various sectors and overall 3. Appropriateness of BC Hydro's assessment of cost of energy 4. Appropriateness of BC Hydro's operating costs and its assessment of those 5. Appropriateness of BC Hydro's capital expenditures and its assessment of those 6. Appropriateness of BC Hydro's regulatory accounts and proposals 7. Appropriateness of other revenue requirement items and BC Hydro assessment 8. Appropriateness of Transmission revenue requirement and BC Hydro assessment 9. Appropriateness of Demand Side Management results and plan 10. Appropriateness of proposed ratemaking proposal, PBR vs Cost of Service 11. All other items that may be relevant to commercial ratepayers that may arise
