Attention: Mr. Patrick Wruck, Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

Re: FortisBC Energy Inc. (FEI)

Project No. 1598988

Application for a Certificate of Public Convenience and Necessity for the Inland Gas Upgrade Project (the Application)

Notice of Evidentiary Update

On March 28, 2019, FEI submitted its responses to information request (IR) round No. 1. During the course of responding to IRs, FEI identified some corrections to the Application as well as updated information for which it plans to file an Evidentiary Update. As part of the Evidentiary Update includes information from consultants, FEI expects to be able to file the Evidentiary Update on or before Friday, April 5, 2019.

FEI does not believe that the timing of the Evidentiary Update will require a change to the submissions on further process, currently scheduled for Thursday, April 4, 2019, in accordance with the regulatory timetable established in British Columbia Utilities Commission Order G-11-19.

If further information is required, please contact the undersigned.

Sincerely,

FORTISBC ENERGY INC.
