Dear Mr. Wruck:

RE: Project No. 1598990
British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Fiscal 2020 to Fiscal 2021 Revenue Requirements Application (Application)
Responses to Panel Information Request No. 1

BC Hydro writes in response to Panel Information Request No. 1 to BC Hydro issued in the above referenced proceeding.

In Appendix BB to the Application, BC Hydro provided a copy of the Fiscal 2018 Greenhouse Gas Reduction Regulation Annual Report with commercially sensitive information redacted.

The Panel requested that if BC Hydro is requesting certain information in Appendix BB to the Application to be held confidential, that BC Hydro make that request in accordance with Part IV of the BCUC's Rules of Practice and Procedure.

Accordingly, BC Hydro is filing, with this letter, a full un-redacted version of this appendix, and requests that the redacted information be held confidential in accordance with Part IV of the BCUC's Rules of Practice and Procedure. An un-redacted version of the Fiscal 2018 Greenhouse Gas Reduction Regulation Annual Report was originally filed on a confidential basis with the BCUC on July 27, 2018.

The information redacted in Appendix BB to the Application pertains to names or identifiable information of customers. If disclosed, the information may potentially prejudice the customer's competitive position. BC Hydro has a contractual obligation to keep the information specifically related to the customer and the customer's project confidential.
