**Also representing (if applicable):**

## **Additional information**

**Please state your reasons for intervening in this proceeding:**

Enerpro is an energy management company that specializes in metering and cost allocation or utilities.

**Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision**

**making:**

Enerpro is currently working with many different groups in metering utilities. We are also working with First Nations on providing solutions that are a good fit for own source revenue generation as well as utility implementation.

**Please list the key issues you intend to address in the proceeding:**

No issues at this time.

**For administrative purposes only**

**Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?:** Yes

**Do you intend to request PACA funding? This does not impact your ability to participate:** No

**Have you or your organization web-registered as an intervener or interested party in the past 12 months?:** No

**If yes, please provide your username:**
