Please state your reasons for intervening in this proceeding:

To represent the interests of the City of Abbotsford as a local government currently excluded from the definition of “public utility” within the Utilities Commission Act and which may, in the future, deliver district energy services that the Commission has identified as potentially being the subject of its findings in this proceeding.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

The City of Abbotsford is directly affected by the Commission's decisions in this proceeding as a local government whose regulation of energy services delivery is under review in this proceeding.

Please list the key issues you intend to address in the proceeding:

1. Circumstances in which local governments ought to be exempt from Commission regulation in respect of district energy systems. 2.
