Additional information

Please state your reasons for intervening in this proceeding:

The City of Burnaby may have future interests in owning, operating, and/or partnering in energy utilities

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision

making:

As a Municipality with potential interest in owning, operating, and/or partnering in energy utilities in the future, the City of Burnaby could be directly affected by the Commission's decision in this matter.

Please list the key issues you intend to address in the proceeding:

1. Aspects of the municipal and regional district exclusion from the definition of public utility in section 1 of the UCA including, but not limited to: a. The utility's assets owned by a corporation of which the municipality or regional district is a shareholder or the sole shareholder; b. The utility's assets owned by a partnership of which the municipality or regional district is a partner, a limited partner or a general partner; c. The utility's assets owned by a third party, but the municipality or regional district has granted a franchise agreement, a licence and/or has enacted enabling bylaws to facilitate the construction and/or operation of the utility; d. The utilities' assets owned by a municipality or regional district but are operated by a third party; and e. The municipality or regional district, by agreement with the utility owner, sets or approves the setting of rates for the utility.
