**Subject:** KGI Extension Request - Indigenous Utilities Inquiry

Good morning Mr. Wruck,

I hope this email finds you well. I am writing today on behalf of KGI to seek an extension for submitting the Final Intervenor Written Submission, due October 4<sup>th</sup>, 2019. KGI intends to attend the Intervenor Final Oral Hearing on September 27<sup>th</sup>, 2019, however, some of our key members will be pulled away from the office for critical project work, including field work as a result of a short-term, limited period work permit during the weeks that the oral and written submissions are due.

KGI has been actively participating in this inquiry and wants to continue to participate, however, given the circumstances, we require more time to prepare our final written submission. We are not seeking a lengthy extension. May we request a one week delay to October 11<sup>th</sup>, 2019?

Please let me know if you need any more information to consider our request.

Thank you,
