Dear Elitta Sibtain, BSc, JD

Thank you for your enquiry.

To clarify, note that all users of wholesale transmission service take service exclusively under BC Hydro's OATT, including BC Hydro, with the exception of grandfathered arrangements that preceded the OATT. Below is an illustrative, approximate breakdown of non OATT and OATT energy that was transferred across BC Hydro's transmission system for last ten fiscal years. OATT energy amounts are further broken out between BC Hydro and Non-BC Hydro.
