Following the presentation, staff will be available to answer any initial questions. Participants will then divide into smaller groups to work through the report and collect thoughts and suggestions with support from BCUC Staff and Four Directions Management Services as facilitators.

Later in the sessions, each small group will select a representative to present a summary of its feedback to the Panel. Individuals will also have an opportunity to address the Panel and add any items that are not captured in the group summary. The feedback to the Panel will be transcribed by Allwest Reporting and transcripts will be added to the Inquiry’s proceeding page on <https://www.bcuc.com/>.
