Re: British Columbia Utilities Commission – An Inquiry into the Regulation of Municipal Energy Utilities – Project No. 1599027 – FortisBC Alternative Energy Services Inc.’s Late Registration

Dear Mr. Jacobs:

By Order G-177-19 dated August 1, 2019, the British Columbia Utilities Commission (BCUC) established an inquiry to examine the regulation of energy utilities affiliated with municipalities and regional districts in British Columbia (Inquiry).

By letter dated October 22, 2019, FortisBC Alternative Energy Services Inc. (FAES) requested permission to participate in the Inquiry jointly with its affiliated utilities already registered in the proceeding, FortisBC Energy Inc. and FortisBC Inc. (FortisBC). FAES submitted that no parties would be prejudiced by joining the proceeding with FortisBC at this time.

The Panel has considered the request from FAES and confirms their participation in the Inquiry as joint interveners with FortisBC.

If you have any questions, please contact Commission.Secretary@bcuc.com.

Sincerely,
