I notice my hyperlink in blue "can find a recent item by myself regarding incompetence" did not convert when I submitted my PDF form. I think this is important so the education will stop the bleed of public money into grid tied PV solar, when it become viable we will all know it. Paste this into your URL to read my information <https://balfoursolarscam.blogspot.com/2019/10/sd8-let-students-learn-by-allowing.html>
