Re: British Columbia Hydro and Power Authority – F2020 to F2021 Revenue Requirements Application – Project No. 1598990 – Procedural Conference

Dear Mr. James:

British Columbia Utilities Commission (BCUC) Orders G-146-19, G-218-19 and G-268-19 provided for a procedural conference for the above-noted proceeding to take place on Friday, November 22, 2019, commencing at 1:00 p.m. in the BCUC Hearing Room on the 12th Floor of 1125 Howe Street, Vancouver, BC and an oral hearing commencing on Monday, January 20, 2020.

The purpose of the procedural conference is to hear from the applicant and registered interveners regarding:

1. Any items to be removed from the scope of the oral hearing and the rationale for such removal. If no such items are identified, the scope of the oral hearing will be the entire application.
2. Any other relevant procedural matters that parties wish to bring to the attention of the Panel that will assist in the efficient review of the Application.

If BC Hydro or registered interveners consider it more efficient to provide submissions in writing prior to the procedural conference, they are invited to do so by **12:00 p.m. on Monday, November 18, 2019**. All written submissions should be filed electronically via the BCUC's eFiling system.

Interveners are requested to confirm their attendance at the procedural conference by emailing the Commission Secretary at Commission.Secretary@bcuc.com by **4 p.m. on Thursday, November 21, 2019**.

Interveners who wish to participate by teleconferencing because they are unable to attend in-person should notify Mr. Hal Bemister at Allwest Reporting Ltd. (604-683-4774) prior to the procedural conference.

After the procedural conference, the BCUC will issue a procedural order regarding the scope of the oral hearing. If you have any questions, please contact the undersigned for more information.

Sincerely,

Original Signed By:

Patrick Wruck
Commission Secretary
