Additional information

Please state your reasons for intervening in this proceeding:
rates may apply service in region of Nuxalk Nation service must support requested rate changes how will these standards apply to Nuxalk clean energy projects in the future?

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:
little experience in rate rules or standards not sufficient information in package nor funding to obtain advice

Please list the key issues you intend to address in the proceeding:
Nuxalk does not have sufficient understand how rate settung will apply to future Nuxalk energy projects or FN utility organizations? how often will rates be changed? how is quality of service applied prior to decision-maker sets new rates - this region has several power outs in winter months or heavy wind events?

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes
