Dear Mr. Wruck,

**Re: British Columbia Hydro and Power Authority F2020 to F2021 Revenue Requirements Application ~ Project No. 1598990
Capital Projects for Cross-examination**

We represent the BC Old Age Pensioners' Organization, Active Support Against Poverty, Council of Senior Citizens' Organizations of BC, Disability Alliance BC, Tenant Resource and Advisory Centre, and Together Against Poverty Society, known collectively in regulatory processes as "BCOAPO et al." ("BCOAPO").

We provide this submission in accordance with British Columbia Utilities Commission (BCUC) Order G-311-19 (Exhibit A-23) establishing the scope of the oral hearing and BCUC Order G-312-19 (Exhibit A-24) amending the regulatory timetable.

By Order G-311-19, the Commission invited interveners to identify any specific capital projects, including IT projects, on which they wish to cross-examine BC Hydro at the oral hearing and to file that list with the BCUC on the same date that interveners are to file their evidence.

BCOAPO has identified the following capital projects requiring cross-examination at the oral hearing:

1. MIN to LNG Canada Interconnection project (ID# 93786);
2. DVES: West Strategic Property Purchase (ID#900219);
3. East Vancouver - Substation Construction (ID#900266); and
4. Peace Region Electric Supply (ID#92216).

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,
BC PUBLIC INTEREST ADVOCACY CENTRE
