Registered Intervener
BC Hydro F2020_F2021 Revenue Requirements Application
BCUC - Project No. 1598990

December 3, 2019

Dear all:

In accordance with BCUC Order G-311-19:

“Therefore, the Panel invites interveners to identify any specific capital projects, including IT projects, on which they wish to cross-examine BC Hydro at the oral hearing and to file that list with the BCUC on the same date that interveners are to file their evidence.”

Please find below a list of capital projects for further examination at the Oral Hearing, including references to related IR's.

- 1) Peace Region Electricity Supply (PRES) Project:**
