**Re: British Columbia Hydro and Power Authority – F2020 to F2021 Revenue Requirements Application – Project No. 1598990 – BCUC Staff Capital Projects Submission for Oral Hearing**

Dear Mr. James:

In the reasons for decision attached as Appendix A to Order G-311-19 dated November 29, 2019, the Panel invited interveners to identify specific capital projects on which they wish to cross-examine the British Columbia Hydro and Power Authority (BC Hydro) at the oral hearing and to file that list with the British Columbia Utilities Commission (BCUC) by Tuesday, December 3, 2019.

BCUC staff is not captured in the requirements of the Panel’s decision, however as a courtesy to BC Hydro and all parties, we identified the following capital projects for cross-examination at the oral hearing:

1. Project ID G000796: Seven Mile Overhaul Units 1 to 3 Turbines.
2. Project ID G000776: Bridge River 1 Replace Units 1 to 4 Generators / Governors.

Sincerely,
