Additional information

Please state your reasons for intervening in this proceeding:

FortisBC Alternative Energy Services Inc. (FAES) has an interest in regulatory proceedings before the British Columbia Utilities Commission which may deal with regulatory principles and policy that may impact future proceedings.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

FAES is an affiliated regulated business of FortisBC Energy Inc. operating in a non-natural monopoly environment (ARBNNM) that is providing thermal energy service (TES) to the market in BC. FAES was an active participant in the development of the BCUC TES Guidelines.

Please list the key issues you intend to address in the proceeding:

FAES intends to address the following issues: - rate setting principles for TES projects; - situations where a TES has a strata corporation among the customers, or the strata corporation is the only customer; and - determination of appropriate classes for TES exemptions.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: No

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes

If yes, please provide your username: [REDACTED]
