Additional information

Please state your reasons for intervening in this proceeding:

MoveUP is a trade union that represents professional employees working for energy utility companies (and other companies). MoveUP's members have a direct interest in the effective regulation of this sector.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

MoveUP has been participating in Commission proceedings for over a decade and has developed significant expertise in this area. MoveUP can provide the perspective of workers who make the utilities run every day to this proceeding.

Please list the key issues you intend to address in the proceeding:

At this stage the scope of the proceeding is quite broad and we have not identified key issues to address. We intend to share the perspectives of utility employees on issues as they arise, and as this perspective is relevant.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: Yes

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes

If yes, please provide your username: [REDACTED]
