Additional information

Please state your reasons for intervening in this proceeding:

Creative Energy has an interest in regulatory proceedings before the British Columbia Utilities Commission that concern regulatory principles and policy and that may impact future proceedings, including in this case the extent and form of regulation of thermal energy systems.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

Creative Energy provides thermal energy services and the regulation of its public utility TES projects in BC is directly affected by the governance established under the TES Regulatory Framework Guidelines.

Please list the key issues you intend to address in the proceeding:

Creative Energy will address all key matters related to the purpose, extent and form of the Commission's regulation of thermal energy systems in BC, including: i) the definitions, principles, characteristics and methods for determining applicable exemptions ii) the principles, efficiency and benefits of regulation related to prescribing and reviewing the requirements and form of TES project approvals and rate setting, and iii) the related impacts on the market development of thermal energy systems in BC.
