Additional information

Please state your reasons for intervening in this proceeding:

River District Energy (RDE) is a Stream B thermal energy utility regulated by the BCUC. Depending on the scope of the inquiry, RDE may provide input into matters affecting its interests.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

RDE received a CPCN in 2011 and has been providing service to customers at the River District neighbourhood since 2012. RDE was an active participant in development of the BCUC TES guidelines.

Please list the key issues you intend to address in the proceeding:

The issues that RDE may address are dependent on the scope of the proceeding which has not yet been determined.
