Additional information

Please state your reasons for intervening in this proceeding:

Corix owns and operates district energy utilities throughout British Columbia. In most cases, Corix's district energy utilities are regulated by the BCUC under the Utilities Commission Act and in accordance with the established Thermal Energy System Regulatory Framework Guidelines. The outcome of this BCUC review will have an impact to Corix's

business strategy, operations and its customers. Corix may wish to file evidence, ask questions and make submissions throughout the process.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

As Corix owns and operates district energy utilities, the outcome of this review will have an impact to Corix's business strategy, operations and its customers. Corix has significant experience and expertise in the development, construction, financing and operation of district energy utilities.

Please list the key issues you intend to address in the proceeding:

At this time, Corix considers the key issues to be: (i) the existing Scaled Framework with the four categories of thermal energy systems; and (ii) the Exemption Thresholds for each category within the Scaled Framework. Other issues that Corix is interested in are complaints, registration, annual reporting, rate setting principles and the TES Guidelines document.
