**Re: FortisBC Energy Inc. – Administration of Rate Schedules 22, 23, 25 and 27 – Complaint filed by Cascadia Energy Ltd., Direct Energy Marketing Ltd. and Access Gas Services Inc. – Project No. 1599064 Application regarding conflict of interest**

Dear Mr. Slater:

By Order G-340-19, the British Columbia Utilities Commission (BCUC) established a regulatory timetable for the review of the Complaint filed by Cascadia Energy Ltd., Direct Energy Marketing Ltd. and Access Gas Services Inc. (BCGMC).

On February 21, 2020, BCGMC filed an application with the BCUC requesting that a replacement Commissioner be selected to replace Commissioner Loski in this proceeding alleging that there is an apprehension of bias in relation to the appointment of Commissioner Loski to the Panel reviewing the BCGMC Complaint.

The BCUC request FortisBC Energy Inc. (FEI) to provide comments on whether it considers a reasonable apprehension of bias exists, whether it is real, potential or apparent, and what it considers to be the necessary measures required to address the issue. Please submit your comments by Monday, March 2, 2020.

Sincerely,
