**BCUC REVIEW OF BC HYDRO PBR REPORT
EXHIBIT A-6**

To: British Columbia Hydro and Power Authority
Registered Parties

Re: British Columbia Utilities Commission (BCUC) – Review of British Columbia Hydro and Power Authority’s Performance Based Regulation Report – Project No. 1599045 – Workshop Rescheduling Request

By Order G-326-19, dated December 12, 2019, the BCUC established an amended regulatory timetable with a BCUC-facilitated Workshop scheduled for March 31, 2020, and invited parties to submit written clarifying questions or high-level topics to the BCUC Staff Consultant by March 17, 2020.

On March 13, 2020, the BCUC issued a letter announcing the cancellation of all public events until further notice, in response to COVID-19. **This letter confirms the cancellation of the BCUC-facilitated Workshop scheduled for March 31, 2020.**

Subsequently, on March 16, 2020, British Columbia Hydro and Power Authority (BC Hydro) submitted a letter requesting that the date for submitting written clarifying questions and high-level topics be aligned with a new rescheduled workshop date.

The BCUC has reviewed BC Hydro’s request and considers it appropriate. The BCUC makes the following revisions to the timetable set out in Order G-326-19:

1. The date for submitting written clarifying questions and high-level topics is extended to **Tuesday, June 30, 2020.**
2. The BCUC-facilitated Workshop is now postponed to September. Parties are requested to confirm their availability and preference for either of the following dates:
 - Tuesday, September 8, 2020
 - Wednesday, September 9, 2020

Please provide your response to the BCUC by **Tuesday, March 24, 2020.** Upon review of submissions, the BCUC will subsequently issue an amended regulatory timetable.

Sincerely,

Original signed by:

Patrick Wruck
Commission Secretary
