Attention: Patrick Wruck
Commission Secretary and Manager, Regulatory Services

Dear Mr. Wruck:

**Re: Pacific Northern Gas (N.E.) Ltd.
Application for Approval of the 2019 Franchise Agreement between
Pacific Northern Gas (N.E.) Ltd. and the City of Fort St. John
Request for Amendment to Regulatory Timetable**

On April 9, 2020, the British Columbia Utilities Commission (BCUC) issued Order G-84-20 establishing a further regulatory timetable for the review of the Pacific Northern Gas (N.E.) Ltd. (PNG(NE)) Application for Approval of the 2019 Franchise Agreement with the City of Fort St. John. Under the established timetable, PNG(NE) is to provide its Responses to Intervener IR No. 1 and BCUC IR No. 2 on Thursday, May 21, 2020.

While PNG(NE) has been working diligently towards meeting this deadline, given PNG(NE)'s finite resources and a very active regulatory agenda with significant deliverables in other proceedings due on May 20th and May 21st, PNG(NE) respectfully requests an amendment to the regulatory timetable approved under Order G-84-20 to provide additional time to complete the noted information request responses.

Specifically, PNG(NE) requests a delay of approximately two weeks to each of the specified actions in the proceeding timetable, as follows:

Action	Original Date (2020)	Proposed Date (2020)
PNG(NE) Response to Intervener IR No. 1 and BCUC IR No. 2	Thursday, May 21	Friday, June 5
Parties Submissions on Further Process	Thursday, May 28	Friday, June 12

Please direct any questions regarding this matter to my attention.

Yours truly,
