Re: British Columbia Hydro and Power Authority – F2020–F2021 Revenue Requirements Application – Project No. 1598990 – Argument – Oral Phase Information

By letter dated May 1, 2020, the Panel informed parties that the oral phase of argument, if required, will take place on Friday, June 12, 2020, commencing at 9 a.m. The Panel wishes to inform parties that the oral phase of argument will be web-based.

As stated during the oral hearing, the purpose of the oral phase of argument is to provide the Panel with the opportunity to ask BC Hydro questions regarding its written submissions. Interveners would have the opportunity to provide submissions regarding any issues arising from the oral phase of argument, and BC Hydro would have the opportunity to provide a reply.¹

Given the challenges created by the COVID-19 Pandemic, intervener participation at the oral phase of argument will be limited to listening to the live audio stream available on Allwest Reporting's website at <https://www.allwestbc.com/webcast.html>, and providing a written submission with its position regarding any issues arising, if applicable, by **Tuesday, June 16, 2020**. BC Hydro has the opportunity to provide a written reply to intervener submissions, if any, by **Thursday, June 18, 2020**. A transcript of the oral phase of argument will be made available on the BCUC's website.

The Panel also wishes to confirm that it will not be asking questions to AMPC in relation to its evidence.

Sincerely,
