Re: Pacific Northern Gas (NE) Ltd. – Fort St. John/Dawson Creek and Tumbler Ridge Divisions –
2020-2021 Revenue Requirements Application – Project Number 1599058 – BCOAPO’s request for
extension

On June 18, 2020, by Order G-159-20, the British Columbia Utilities Commission (BCUC) established an updated regulatory timetable for the above noted proceeding, which requires Interveners to file written final arguments by July 16, 2020.

By letter dated July 15, 2020, counsel for the BC Old Age Pensioners’ Organization, Active Support Against Poverty, Council of Senior Citizens’ Organizations of BC, Disability Alliance BC, and Tenant Resource and Advisory Centre, known collectively in regulatory processes as “BCOAPO et al.” (BCOAPO), the sole intervener registered in the above noted proceeding, filed a request to the BCUC for an extension to the written final argument deadline to July 20, 2020, due to a family medical emergency that precluded their expert from producing his materials as scheduled.

The Panel has considered BCOAPO’s request and grants an extension to the interveners written final argument deadline to **Monday July 20, 2020**. In order to allow sufficient time for written reply argument, the Panel also extends the deadline for PNG(NE)’s written reply argument to **Monday July 27, 2020**.

Sincerely,
