(FBC) approving a Multi-Year Rate Plan for 2020 through 2024 (MRP Decision). In accordance with the MRP Decision, FEI is to conduct an annual review process to set delivery rates for each year;
- B. On May 27, 2015, the BCUC issued its Decision and Order G-86-15 in the FEI Annual Review of 2015 Delivery Rates, setting out, among other things, the default regulatory timetable template for future annual reviews to include:
- Intervener registration;

 - A workshop which may include BCUC panel participation. The format of the workshop, including who facilitates it, will be determined at each annual review proceeding;
 - FEI response to undertakings from the workshop;

NOW THEREFORE, the BCUC orders as follows:

1. A regulatory timetable for the annual review of FEI's 2020 and 2021 delivery rates is established, as set out in Appendix A to this order.
2. A workshop to review FEI's 2019 performance results, and 2020 and 2021 delivery rates will be held on Wednesday, October 14, 2020 at 9 am, with the location and format to be determined.
3. Interveners must register with the BCUC by completing a Request to Intervene form, available on the BCUC website, by the date established in the regulatory timetable attached as Appendix A to this order, and in accordance with the BCUC's Rules of Practice and Procedure attached to Order G-15-19.
