Additional information

Please state your reasons for intervening in this proceeding:

BCOAPO has been involved in the regulation of FEI for years, intervening on behalf of residential ratepayers and we were heavily involved in the hearing where this PBR originated. Our clients represent a large and diverse population of FEI's ratepayers throughout its service area and as such, this first review of FEI's new PBR/MRP scheme directly and materially affects our clients.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

Please see above

Please list the key issues you intend to address in the proceeding:

We intend to review how this new PBR is performing to determine whether its outcome is reasonable, to determine whether FEI's position is reasonable and to challenge it when necessary as well as taking note of possible developing issues to monitor for future reviews.
