Additional information

Please state your reasons for intervening in this proceeding:

This proceeding will address issues relating to the treatment of confidential information which is required to be provided to the Commission pursuant to the Fuel Price Transparency Act (FPTA). As a participant in the gasoline and diesel market in British Columbia, Shell will be required to submit information to the Commission pursuant to the amended FPTA

regulations, beginning in November 2020. Accordingly, the Commission's treatment of confidential information provided pursuant to the FPTA is of interest to Shell.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

Shell is directly impacted by the Commission's decision in this matter, since it will be required to report data to the Commission under the FPTA, including commercially sensitive data. Shell also participated in the Commission's Inquiry into Gasoline and Diesel Prices in British Columbia, in which it provided submissions respecting confidentiality issues and submitted confidential material.

Please list the key issues you intend to address in the proceeding:
