Additional information

Please state your reasons for intervening in this proceeding:

As I have worked as a FSR Class A and have held an operating permit for SFU Burnaby, I am quite interested in the scope of BCUC in the area of safety. Further, I've an interested in leakage current (stray voltage) from electrical system have may impact safety.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

As I work as a FSR Class A and have held an operating permit for SFU Burnaby as well as worked about 8 years at BCUC as its Senior Electrical Engineer, I believe that I have relevant experience in safety matters not to mention 45 years in Electrical Engineering in BC.

Please list the key issues you intend to address in the proceeding:

The key issues would be capabilities of BCUC, scope of UCA in regards to safety and standards. Reliance on others to investigate safety matters. The relationship with other regulatory bodies that existed and that need to be acknowledged and agreed to by all.
