**City:** Kyuquot

**Province:** British Columbia

**Email:** tom@teburnseng.com

**Phone number:** 12508963919

**Also representing (if applicable):**

## **Additional information**

**Please state your reasons for intervening in this proceeding:**

I am the Engineer or Record for the KCFN high voltage power system.

**Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:**

I am a Professional Engineer with 38 years of electric utility experience including 32 years with BC Hydro, most in senior management positions, and 6 years of specialized consulting for municipal and privately owned high voltage networks.

**Please list the key issues you intend to address in the proceeding:**

The regulation of safety and standards in non-regulated high voltage networks. How safety is regulated in BCUC regulated power utilities.

## **For administrative purposes only**

**Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?:** Yes

**Do you intend to request PACA funding? This does not impact your ability to participate:** No

**Have you or your organization web-registered as an intervener or interested party in the past 12 months?:** No

**If yes, please provide your username:**
